

Job Title: At Home Caregivers

Job Duties / Responsibilities:

- Provide companionship and assistance with household tasks for older adults wishing to maintain independence in their own home.
- Responsible for general housekeeping including light cleaning, cooking, laundry, and changing linens.
- Assist clients with personal grooming, dressing and bathing.
- May provide transportation to doctor's appointments, outside activities, or shopping.
- Under the direction of a nurse, may provide medication reminders and assistance with taking medications according to a plan of care.
- Responsible for reporting any change in the client's condition to the nursing supervisor
- Treat clients with respect and dignity, and comply with HIPAA regulations regarding privacy and confidential health information.

Qualifications:

- Previous experience working with older adults in an in-home setting or nursing facility preferred
- Valid driver's license and proof of insurance required

Hours: PRN - flexible hours including days, evenings, and weekends
